Omschrijving

Fully enclosed food-grade black stackable container in Euro format 300 x 200 mm. This stackable container has a practical small size and is easy to handle due to the closed handles on both short sides. The plastic stackable container can be stacked stably and is also perfectly combinable with our other Euro standard stackable containers. Due to its small size, this stackable container is ideal, among other uses, as a cutlery tray in the hospitality industry and rental services.
