Features

Lidded bins are also stackable with lid	
Lidded bins have a removable, hinged lid	
With lock and slot in the lid	
Stacking bin with hinged lid and 2 snap-slide locks	

Description

Plastic ballot box 400 x 300 x H 295 mm with suitcase handles, cylinder lock, and a letterbox flap in the lid. Ideal as a transport box for the transportation of postal votes. The transport box has a capacity of 26 liters. The ballot box is closed with a lid equipped with a lock. The lid features a letterbox flap in the center with a slot through which the ballot papers and postal votes can be inserted into the box. The contents of the ballot box are accessible after unlocking the hinged lid. Additionally, the lid can be further sealed at the short sides. The size of the slot (280x32 mm - w x h) is large enough for the intake of folded ballot papers (approximately 70 mm wide) and uncreased postal votes (162 mm). The ballot box features a smooth bottom, two suitcase handles, and hinge reinforcements for the hinged lid. Upon request, we provide ballot boxes with logos and/or text printing. Please inquire about the possibilities.
