Description

Black plastic pallet box with hazard label. Suitable for the collection of batteries. The battery box has dimensions of 1200 x 1000 x H 790 mm and a capacity of 670 liters. The black plastic pallet box on three runners has closed sidewalls and a reinforced bottom. The pallet box is made of HDPE virgin material. The pallet box has convex, outward-facing wall panels for optimal volume, gaining up to 10% more volume compared to conventional pallet boxes. Standard on 2 long sides with the label hazard class 8 + UN 2794 - Approved for transport of used batteries according to ADR 4.1.4.1 P801a.
