Omschrijving

Are you looking for a durable and practical solution for storage and transportation? Consider buying an orange pallet box. Our orange pallet box measuring 120 x 100 cm with a capacity of 670 liters is perfect for businesses needing efficient, safe, and hygienic storage options. This food-grade model is equipped with sturdy skids and closed side walls for optimal protection, and a reinforced bottom that ensures durability. Featuring convenient drainage facilities and a capacity-increasing convex design, our orange pallet box is an excellent choice for anyone valuing quality and functionality. Purchase your orange pallet box today to enhance your storage and transport efficiency.

Dimensions and capacity: With dimensions of 1200 x 1000 x 790 mm and a capacity of 670 liters, the pallet box provides ample space for storage and transport.

Food-grade: The pallet box is suitable for storing and transporting food items, which is important for hygiene and food safety standards.

Pallet box on skids: The pallet box is mounted on three skids, ensuring stability and making it easy to move the box with a forklift or pallet truck.

Closed side walls with reinforced bottom: The closed side walls protect the contents from external elements, and the reinforced bottom increases the durability and load capacity of the pallet box.

Drainage facility: Equipped with a 1" and 2" drainage facility on both a short and a long side, which is convenient for emptying or dispensing liquid or fine materials.

Convex outward-facing wall panels: The convex side walls of the pallet box optimize the volume of the container, allowing up to 10% more volume compared to conventional pallet boxes.

Various color options: Besides orange, the pallet box is also available in stock in the colors gray, red, blue, green, orange, white, black, and yellow, which aids in color coding and organization in storage and transport.
