Description

Meet the grey BIG BOX plastic pallet box, the perfect solution for those seeking an efficient and reliable storage option. This pallet box, measuring 1200 x 800 x 790 mm, offers an impressive capacity of 535 liters and is specifically designed for use in the food industry. Its sturdy construction and high-quality HDPE material make this box ideal for various applications, from storage to transport. With its solid side walls and reinforced base, the BIG BOX ensures safe storage of your goods. The pallet box is equipped with a 1" and 2" drain fitting on both a short and a long side, making emptying or draining the contents simple and quick. The convex, outward-facing side panels provide optimal volume, resulting in up to 10% more space compared to conventional pallet boxes.
Thanks to the three runners under the box, it can easily be moved with a forklift or pallet truck. The box has excellent temperature resistance from -30°C to +70°C, making it suitable for use in various conditions. Moreover, the BIG BOX can be stacked statically up to 4500 kg, making it not only spacious but also extremely sturdy.
Whether you need to store or transport food, raw materials, or other items, the BIG BOX plastic pallet box is your reliable partner. Choose efficiency, safety, and durability – choose the grey plastic pallet box in Euro size 1200 x 800 mm.
