Description

Meet our black BIG BOX plastic pallet box (Euro-format pallet box), the ideal solution for all your storage and transport needs. This robust Euro-format pallet box, also known as pallet box 1200 x 800 mm or pallet box 120 x 80 cm, with dimensions of 1200 x 800 x 760 mm and a capacity of 535 liters, offers ample space and maximum reliability. Thanks to the closed side walls and reinforced bottom, this box is perfect for heavy-duty applications. The box is made of high-quality HDPE, ensuring excellent durability and temperature resistance from -30°C to +70°C.

What truly sets this BIG BOX apart are the convex side panels. These unique, outward-facing panels provide optimal volume, gaining up to 10% more space compared to conventional pallet boxes. This way, you can store and transport more without taking up extra space! The pallet box is equipped with 1" and 2" drainage outlets on both a short and a long side, providing easy and efficient liquid drainage when needed. This pallet box on legs offers extra stability, ideal for various storage and transport tasks.

The black BIG BOX is not only strong, with a maximum load capacity of 500 kg, but also stackable. You can safely stack them, both statically (up to 4500 kg) and dynamically (up to 1000 kg), contributing to efficient storage space. In addition, this pallet box is food-safe, making it ideal for use in the food industry.

Are you looking for a versatile, durable, and efficient storage solution? The black BIG BOX plastic pallet box offers everything you need. From the reinforced bottom to the convex walls and handy drainage outlets – this box is designed with your convenience and productivity in mind.
