Sidewalls	Open
Material	PP
Article number	50.R.400
Bottom	Coarse mesh

Features

50.R.400 bistro basket is suitable for filling with glassware, dishes and cutlery

Description

Bistro basket R400 has a bottom size of 400 x 400 mm and is suitable for loading with glassware, dishes, and cutlery. Equipped with a coarse-mesh bottom and open side walls for optimal rinsing and drying results. The open side walls also serve as handles. With our bistro baskets, we offer an excellent basket system for small (glass) dishwashers, which are often used behind a bar or buffet. Additionally, we provide various accessories that enhance usability or expand application possibilities. The input widths of bistro dishwashers can vary. The input rails in the dishwashers determine this. For this reason, our bistro baskets are available in 4 bottom sizes, and we offer a suitable basket for virtually every bistro dishwasher.
