Features

Bistro Basket 50.R.500 can be equipped with cutlery cup, glass insert rack and plate insert rack, and is therefore suitable for loading with cutlery, glassware and dishes

Description

Universal bistro basket with dimensions 500 x 500 x H 174 mm. Suitable for dishwashers with an input width of 500 mm. The raised sidewalls provide good protection and stability for the load. The bistro rack R500 has an open design for optimal rinsing results and faster drying. Bistro baskets are universal racks and suitable for use in small (glass) washing machines. For every bistro machine, we offer the perfectly fitting dishwasher rack, which can be universally used in combination with various accessories.
