CB1 plastic palletbox - 1200 x 800 mm - 4 wheels - light blue

Product specifications

Weight (kg)	42,9 kg
External dimensions (l x w x h)	1200 x 800 x 895 mm
Temperature range	-30°C to +40°C
Capacity	475 liter
Color	Blue
Material	HDPE
Bottom	Closed, reinforced
Sidewalls	Closed, reinforced
Max. load capacity per box	600 kg
Max. static stacking load	600 kg
Max. dynamic stacking load	600 kg
Internal dimensions (l x w x h)	1090 x 690 x 595 mm

Features

Mobile plastic pallet box (CB1 type)

Dimensions: 1200 x 800 x H 895 mm

Capacity: 475 liters

Suitable for use in the food industry

Four galvanized swivel wheels for easy mobility

Closed side walls for secure storage

Reinforced bottom for extra strength

Description

Mobile light blue pallet box of type CB1 on four wheels. Dimensions 1200 x 800 mm. The light blue CB1 pallet box has smooth, flat inner walls and stands on four galvanized swivel wheels. The swivel wheels have a diameter of 125 mm and are equipped with non-marking rubber treads. As a result, they are shock-resistant, provide good sound insulation, and do not leave marks on the floor. The light blue pallet box has closed side walls and a reinforced bottom. The lower wall panels of the CB1 box are additionally reinforced to prevent collision damage from forklifts. The mobile CB1 pallet box is made of high-quality foamed HDPE plastic, making it particularly strong and impact-resistant. The light blue CB1 pallet box is manufactured in one piece and has three integral pallet runners. Thanks to these runners, the mobile CB1 can be easily tilted with a (forklift) turntable. The flat, smooth inner walls make the mobile CB1 pallet box a multifunctional pallet box suitable for various industrial applications. The mobile version increases efficiency and provides for a flexible workplace layout.
