CB1 plastic palletbox - 1200 x 800 mm - 4 wheels - yellow

Product specifications

Uitwendig (LxBxH)	1200 × 800 × 895 mm
Inwendig (LxBxH)	1090 × 690 × 595 mm
Capacity	475 liter
Color	Yellow
Sidewalls	Closed, reinforced
Material	HDPE
Article number	83381410.ZW
Weight (kg)	42,9 kg
Temperature range	-30°C to +40°C
Bottom	Closed, reinforced
Max. load capacity per box	600 kg
Max. static stacking load	600 kg
Max. dynamic stacking load	600 kg
Pallet quantity	2

Features

- **Mobile plastic pallet box (CB1 type)**
- **Dimensions: 1200 x 800 x H 895 mm**
- **Capacity: 475 liters**
- **Suitable for use in the food industry**
- **Four galvanized swivel wheels for easy mobility**
- **Closed side walls for secure storage**
- **Reinforced bottom for extra strength**

Description

Mobile yellow pallet box of type CB1 on four wheels. Dimensions 1200 x 800 mm. The yellow CB1 pallet box has smooth, flat inner walls and stands on four galvanized swivel wheels. The swivel wheels have a diameter of 125 mm and are equipped with a non-marking rubber tread. They are therefore shock-resistant, have good sound insulation, and leave no marks on the floor. The yellow pallet box has closed side walls and a reinforced bottom. The lower wall panels of the CB1 box are extra reinforced to prevent collision damage from forklifts. The mobile CB1 pallet box in yellow is made of high-quality foamed HDPE plastic, making it exceptionally strong and impact-resistant. The yellow CB1 pallet box is manufactured in one piece and has three co-molded pallet skids. Thanks to these skids, the mobile CB1 can be easily tilted with a (forklift) turntable. The flat, smooth inner walls make the mobile CB1 pallet box a multifunctional pallet box for the industry. The mobile version increases efficiency and ensures a flexible workplace layout.
