Description

Red plastic pallet box (1200 x 800 x H 740 mm - 475 liters) of type CB1 with a gray lid. This impact-resistant plastic pallet box on three skids comes with a matching cover and is secured with two tension straps. The lower wall panels are extra reinforced. As a result, this pallet box has the UN certification (Y) and is approved for the transport and storage of hazardous solid substances from packaging groups II and III. The box complies with the regulations established in the ADR for road transport over land, as well as the requirements for the transport of hazardous materials by rail (RID), by sea (IMDG code), and by air (IATA-DGR). The CB1 UN pallet box is supplied in red, with the lid standard in gray.
