Durable and strong material

Hygienically smooth interior walls

Description

Grey plastic pallet box of the type CB3 High, on 3 runners. Dimensions 1200 x 1000 x H 1140 mm and 1000 liters capacity. This food-safe plastic pallet box on 3 runners in grey is the perfect addition to an existing pool of Dolavs. The CB3 High pallet boxes stack perfectly with similar boxes, making them seamlessly integrate into an existing pool of such pallet boxes. The lower wall panels of the CB3 High are reinforced to prevent impact damage from forklifts. The CB3 High pallet box is made of high-quality foamed HDPE plastic, making it exceptionally strong. The pallet box has extra thick walls and weighs only 49 kg. Additionally, the impact resistance of this pallet box is very high. The CB3 High pallet box is manufactured in one piece, minimizing breakage at these sensitive points. The grey CB3 High can also be easily equipped with transponders for tracking & tracing of box and cargo. The hygienically smooth interior walls complete the package, making the CB3 High the ideal pallet box for the food industry. The CB3 High pallet boxes are equipped with a 1" outlet on one short side and a 2" outlet on one long side.
