Description

Stacking bin with lid in Euro norm size 400 x 300 mm. The lid container is composed of a stacking container and an orange hinged lid with two snap-slide fasteners. In the open position, the hinged lid is removable. The fully closed container has a smooth bottom and closed handles. Due to the standardized dimensions, the lid container can be stacked with other Euro containers, with or without a lid. The lid container is made of food-grade plastic. The snap fasteners ensure a secure closure of the lid container and easy re-opening. We supply foam interiors, seals, and label holders as accessories for the lid containers.
