Features

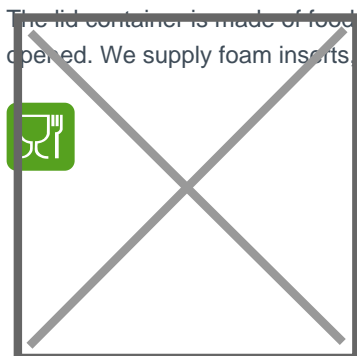

Lidded bins are also stackable with lid

Lidded bins have a removable, hinged lid

Stacking bin with hinged lid and 2 snap-slide locks

Description

Stacking bin with lid in Euro norm format 400 x 300 mm. The lid container is composed of a stacking container and a gray hinged lid with two snap-slide closures. In the open position, the hinged lid is removable. Fully closed container with reinforced bottom and closed handles. Due to the standardized dimensions, the lid container can be stacked with other Euro containers, with or without a lid. The lid container is made of food grade plastic. The snap closures ensure a secure seal of the lid container, which can be easily opened. We supply foam inserts, seals, and label holders as accessories for the lid containers.
