Description

Stacking bin with lid in Euro standard size 600 x 400 H135 mm. This version consists of an all-around closed stacking container with an orange hinged lid and two snap closures. The lid container is compatible with other Euro standard cases, stacking containers, and other Euro standard lid containers. Due to the standardized size, the lid container is also compatible with other standardized pallets, roll containers, and frames. Goods can be transported safely and dust-free in lid containers. As accessories, we also supply foam dividers, seals, and label holders for the lid containers. For more information on accessories, please contact one of our product specialists: phone number +49 (0) 2822 9778-55.
