Description

Black stacking bin with lid with red hinged lid in Euro norm format 600 x 400 mm. The hinged lid is equipped with two snap-slide closures. The container is completely closed, including the handles. This allows for full utilization of the contents. The lid container is made from food-grade plastic. Thanks to its practical Euro norm dimensions, this lid container fits perfectly with other Euro-containers, as well as standardized pallets, roll containers, and mobile bases.
