Description

Grey custom-made plastic dolly with four galvanized swivel wheels and two fixed wheels, Ø 100 mm with rubber tread and galvanized forks. Load capacity 300 kg. Ideal aid for transporting loaded stacking bins. Suitable for stacking bins in the size 1200x400mm. Thanks to the grid frame, also suitable for bins or boxes of different sizes and smaller loads. Other versions of the wheels, such as galvanized wheel forks, fixed wheels, other diameters, other treads, etc. are of course possible. Ask our product specialists about the possibilities.
