Features

- **The cutlery drainer is suitable for washing cutlery upright**
- **Comprises four cutlery drainers 50.CBS.0 linked together with a holder**

Description

Plastic cutlery holder set (220 x 220 x H 140 mm) with a fine mesh perforation. This prevents the cutlery from protruding through the openings. Consists of 4 cutlery holders, which are linked together by a holder. The cutlery is washed standing in the holders. Cutlery holders can also be used separately. Ideal for use in combination with our universal baskets. Our cutlery baskets and holders are finely meshed to prevent cutlery from falling through, and the open design ensures a perfect rinsing result.
