Description

Plastic stackable container in Euro norm size 600 x 400 mm with reinforced bottom and a grip opening on one long side. The height including the reinforced bottom is 320 mm. Thanks to the grip opening, the stackable container is ideal for use as a storage bin. Due to its standardized dimensions, the stackable container is stackable with all other Euro norm stackable containers and perfectly combinable with standardized pallets and mobile bases. The container is food-grade, features a hygienic design, and has open handles. Equipped with a reinforced bottom. Grip opening size: 485 x H 150 mm.
