Description

Completely closed stacking container in Euro standard size 800 x 600 mm. The robust stacking container features two comfortable open handles. The ribbed bottom prevents sagging of the container. The container has a capacity of 165 liters and a height, including the reinforced bottom, of 415 mm. This high-volume container is stackable with all other Euro standard stacking containers. Due to its standardized dimensions, the stacking container integrates perfectly with standardized pallets, roll cages, and mobile undercarriages.
