Description

Foldable black plastic pallet collar (1200 x 800 x H 200 mm) with six hinges, suitable for Euro pallets with pallet size 1200 x 800 mm. The plastic pallet collar is equipped with 6 hinges. This allows for a folding length of 1200 mm, and folded units fit perfectly on the corresponding plastic pallet without overhang. The folded size is 1200 x 230 x H 128 mm, resulting in a 84% volume saving in empty return transport. The pallet collars have centering edges for centering on the pallet or for stacking multiple pallet collars on top of each other.
