Description

The blue 4-wheel plastic waste container (1370 x 1128 x H 1330 mm - 1100 liters) is equipped with 4 galvanized swivel wheels, 2 of which have wheel stops. The blue 4-wheel container has a flat, hinged lid and is certified according to EN 840. The smooth-walled blue waste container prevents the adhesion of dirt and waste. Both the container body and the wheel attachment are extra reinforced, ensuring extreme durability. The blue 4-wheel plastic waste container is suitable for emptying with all types of garbage trucks equipped with an emptying system according to DIN EN 840. Our 4-wheel waste containers are of high quality and have been successfully used in commercial applications to full satisfaction.
