- **The waste container is fitted with four galvanised swivel castors, two with brakes.**
- **With plastic wheel rim and rubber Ø 200 mm tread.**
- **The four-wheeled waste container is suitable for emptying with the dustcart.**

Description

The grey 4-wheel plastic waste container (1370 x 780 x H 1250 mm - 660 liters) is equipped with 4 galvanized swivel casters, 2 of which have wheel stops. The grey 4-wheel container has a flat, hinged lid and is certified according to EN 840. Furthermore, the grey waste container is entirely smooth-walled, preventing the attachment of dirt and waste. The container body and wheel attachment are extra reinforced, making it extremely durable. The grey 4-wheel plastic waste container is suitable for emptying with all types of garbage trucks equipped with a emptying system according to DIN EN 840. Our grey 4-wheel waste containers are of high quality and are successfully and satisfactorily used in commercial applications.
