- **Material: Made of plastic**
- **Application: Suitable for logistics systems and storage**

Description

Orange plastic collapsible crate (600 x 400 x H 233 mm - 44 liters) from the FRESH BOX series. The orange collapsible crate features a perforated bottom and side walls. It is equipped with 4 open handles. Folding height 50 mm and stacking height only 40 mm. The side walls unlock particularly smoothly thanks to the easy-lock system located under the handles. After unlocking, all four walls can be folded down. Very stable and robust collapsible crate in Euro norm format, suitable for use in logistics systems. The collapsible crate has a carrying capacity of 25 kilograms. The stack load is 200 kilograms. This means that you can stack filled collapsible crates up to a maximum of 8 high.
