Description

The glass basket 50.NKG.110.125155.30V consists of a gray base basket with an orange 30-compartment division and a low top edge without compartment division - maximum glass diameter Ø81mm.
The glass basket with dimensions 500 x 500 has an inner height of 120 mm. Glasses with a height of up to 120 mm can fit in this basket. Thanks to the open basket construction, washing water and drying air have very good access to glassware and porcelain. The dishwasher baskets thus achieve an optimal washing result and a faster drying process. The bottom is additionally reinforced, allowing the basket to rotate in a basket transport machine with transport hooks. Transoplast's glass basket is exceptionally durable and has the best references in the market.
