Glass crate BASIC - 600 x 400 x H 224 mm for 33 glasses - max. height 196 mm - max. Ø 75 mm

Product specifications

Uitwendig (LxBxH)	600 × 400 × 224 mm
Inwendig (LxBxH)	568 × 368 × 210 mm
Capacity	48.9 liter
Color	Grey
Handles	Open (four openings)
Sidewalls	Perforated
Material	HDPE
Article number	30.122.33.UO
Weight (kg)	2,64 kg
Temperature range	-40°C to +70°C
Bottom	Perforated, reinforced (base implementation no. 15)
European Article Number	7,42491E+12
Maximum glass height	196
Maximum Ø glass	75
Pallet quantity	40

Features

- **Dimensions: The crate measures 600 x 400 mm, with a height of 224 mm.**
- **Capacity: It accommodates 33 glasses.**
- **Maximum glass height: Suitable for glasses with a maximum height of 196 mm.**
- **Maximum diameter: Accepts glasses with a maximum diameter of Ø 75 mm.**
- **Material: Made of plastic.**
- **Purpose: Designed for cleaning, storing, and transporting glassware and tableware.**
- **Protection: Prevents scratches and breakage as glasses don't touch each other due to the compartmentalization.**
- **Support: Provides support for glassware with feet due to lower and upper compartmentalization.**
- **Cleaning: Ensures complete cleaning of glassware through coarse perforated side walls and bottom, allowing rinse water and cleaning agents to reach the contents easily.**
- **Stackability: Can be stacked and combined with other crates and bins with Euro-standard dimensions.**
- **Storage and transport: Can be stored and transported without loss of space on standardized supports, roll containers, and pallets.**

Description

Note before placing an order! The dimensions of the glass determine the choice of crate. Measure the height of the glass and the diameter at its widest point.
Plastic crate with compartmentalization for 33 glasses. The glass crate measures 600x400 mm and has a height of 224 mm. The glass crate is suitable for cleaning, storage, and transportation of glassware and tableware with a maximum glass height of 169 mm and a maximum Ø of 75 mm. The size and layout of the crate are determined by its contents. If the glass is taller than 196 mm or wider than Ø 75 mm, opt for a different glass crate in this series. We are happy to provide advice. The glass crate with double compartmentalization offers 33 individual spaces for glasses. The glasses do not touch each other, ensuring optimal protection against scratches and breakage during cleaning, storage, and transport. The glass crate has both lower and upper compartmentalization, providing good support for glassware with a base. Glassware is entirely clean after cleaning in the glass crate. The crate has coarse perforated side walls and bottom, allowing rinse water and cleaning agents to easily reach the crate's contents. The glass crates are stackable and can be perfectly combined with other plate racks and stacking crates with Euro-standard dimensions. Additionally, the glass crates can be stored and transported without losing space on standardized supports, roll containers, and pallets. For more information, please contact our product advisor.
