Article number: 30.UE412.8Q.1

Insert bin 1/8 - 131 x 90 x H 101 mm - grey

Product specifications

Uitwendig (LxBxH)	131 × 90 × 101 mm
Inwendig (LxBxH)	108 × 68 × 99 mm
Color	Grey
Sidewalls	Closed
Material	PP
Article number	30.UE412.8Q.1
Weight (kg)	0,09 kg
Bottom	Closed
Pallet quantity	1900

Features

- **Usable as an insert bin in Euronorm 400 x 300 mm stacking bin, from an external height of 120 mm**
- **Insert bins may be subdivided variously**

Description

Grey insert bin 1/8 made of food-grade plastic. Size 131 x 90 x H 101 mm. The grey insert bins are stackable and nestable, saving 50% volume when nested. With these insert bins, you can easily create a compartmentalized arrangement in Euro standard stackable bins. These insert bins can be used in stackable bins, lid bins, and cases with dimensions of 400 x 300 mm and an external height of 120 mm or more. Eight 1/8 insert bins fit into a 400 x 300 mm stackable bin, positioned transversely. Insert bins are available in various sizes and can be combined in Euro standard stackable bins with dimensions of 400 x 300 mm. This allows you to create a layout that suits the products you want to store. No assembly tools are needed to create a compartmentalized arrangement with insert bins. Simply place the insert bins in the stackable bin. The layout is flexible and can be changed at any time since the insert bins are easily removable. These insert bins are also used in cabinets and drawers, keeping your items organized and easily accessible. However, please note that these insert bins are not suitable for stackable bins with dimensions of 300 x 200 mm or 600 x 400 mm.
