- **Dimensions of the flaps on the long sides: 555 x 308 mm (l x h).**
- **Width of the openings on the short side: 400 mm.**
- **Also stackable with matching lid.**

Description

Folding plastic pallet box, type MAGNUM, with closed bottom and side walls. The pallet box measures 800 x 600 x H 760 mm and has a capacity of 250 liters. When folded, the MAGNUM pallet box is only 393 mm high. The pallet box features hinged loading flaps on the one long side and one short side. Thanks to these loading flaps, the lifting threshold is lowered, simplifying loading and unloading. The pallet box rests on two runners (600 mm side). Drainage holes are located in the bottom. The smooth and closed side walls and bottom make the pallet box easy to clean.
