Features

- **Made with smooth inner walls**
- **MINI BOX pallet boxes are stackable with lid**
- **MINI BOX pallet box is provided with handles on both short sides**

Description

A plastic pallet box in a small size of 1040 x 640 mm with a height including four legs of 670 mm. It has a capacity of 285 liters. The MINI BOX pallet box is made of food-grade plastic. It features closed, smooth inner walls, making it highly suitable for hygienic applications. The bottom and side walls are reinforced. The fully enclosed pallet box has convenient handles on both short sides, allowing for easy manual lifting. Due to its design with four legs, the MINI BOX can be easily moved with a forklift or pallet jack. It is stackable.
