Features

Provided as standard with outlet opening and screw plug.

Hinged lid with stainless lock mechanism.

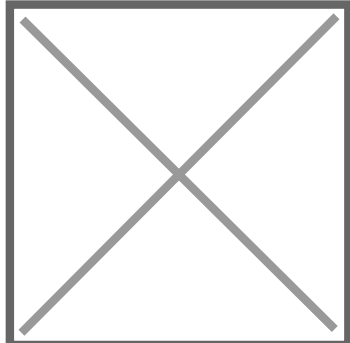

Very impact resistant thanks to the use of flexible plastic, even at low temperatures.

The MP container is provided as standard with a plastic lid locking system.

Description

Grey large-volume container with an orange hinged lid measuring 810 x 675mm. The salt spreader bin has a capacity of 210 liters. The side walls and bottom of the large-volume container are entirely closed and smooth. Thanks to the use of high-quality HDPE and frost resistance up to -30°C, this container is exceptionally suitable for use as a salt spreader bin.
