Description

Plastic case in Euronorm format of 400 x 300 mm with a height of 133 mm. Comprised of a stacking container, hinged lid with two snap-slide fasteners, and a suitcase handle at the front. The plastic case is stackable with its lid along with all other Euronorm cases and stacking containers. The case is securely sealed during transportation. This makes the case highly suitable for the safe storage and transportation of cutlery, parts, tools, and small items. Seals and label holders are provided as accessories with the cases.
