Description

Plastic case measuring 400 x 300 mm. The case is composed of a Euro norm stacking bin, a hinged lid with two snap-slide closures, and two suitcase handles on the short sides. The case seals well during transport, ensuring safe and dust-free transportation of the cargo. The plastic case is stackable and can be combined with other plastic Euro norm cases and stacking bins. Using a mobile base or a rolling container makes transporting the case ergonomic.
