Description

Plastic case measuring 400 x 300 mm. The case consists of a Euronorm stackable container, a hinged lid with two snap-lock closures, and two case handles on the short sides. The case is securely sealed during transport, ensuring safe and dust-free transportation of the cargo. The plastic case is stackable and compatible with other plastic Euronorm cases and containers. When used with a mobile base or a rolling container, the case can be transported ergonomically.
