Description

Plastic case with dimensions of 400 x 300 mm. The case is composed of a Euro standard stacking container, a hinged lid with two snap-lock closures, and two handles on the short sides. The container part of the case has a reinforced bottom. The case is securely sealed during transport, ensuring safe and dust-free transportation of the cargo. The plastic case is stackable and can be combined with other Euro standard cases and stacking containers made of plastic. With a mobile base or a roll container, the case can be transported ergonomically.
