- **Ability to easily transport cargo of varying sizes**
- **Suitable for moving boxes, barrels, and buckets**
- **A convenient tool for transporting various types of loads**

Description

Sturdy mobile base measuring 610 x 410 x H200 mm. Equipped with four galvanized swivel wheels Ø 100 mm with non-marking rubber tread. Suitable for 600 x 400 mm and two 400 x 300 mm crates. Thanks to the grid frame, the mobile base is universally applicable, allowing easy transportation of goods in non-standard sizes in addition to standard Euro norm crates and boxes. It serves as an excellent tool for moving boxes, barrels, and buckets.
