Article number: 55.QP6080L3RR

Plastic pallet - 800 x 600 mm (3 runners - nestable)

Product specifications

Uitwendig (LxBxH)	800 × 600 × 145 mm
Dynamic load capacity	350 kg
Color	Black
Material	Recycled HDPE
Article number	55.QP6080L3RR
Weight (kg)	2,7 kg
Temperature range	-20°C to +60°C
Static load capacity	500 kg
Edge height	5 mm
Pallet quantity	100

Features

- **Nestable plastic pallet 800 x 600 mm**
- **Equipped with three runners**
- **Lightweight version in regenerated material**
- **Suitable for goods export, display applications, and storage of packaged food or car tires**
- **Can be stacked together to save space when empty**
- **Lightweight, impact-resistant, and stable**
- **More hygienic than wooden pallets, as plastic does not absorb moisture, pests, and bacteria**
- **No pallet certificate required for IPPC countries**

Description

Nestable plastic pallet 800 x 600 mm. Equipped with three runners. The lightweight version in regenerated material is suitable for goods export, for display applications, but also for the storage of packaged food or for example car tires. In empty condition, the pallets can be stacked together to save space. The pallet is lightweight, impact-resistant, and stable. Exporting on a plastic pallet is more hygienic than on a wooden pallet, because plastic pallets do not absorb moisture, pests, and bacteria. A pallet certificate to IPPC countries is also unnecessary.
