Product specifications Features

Uitwendig (LxBxH)	615 × 415 × 167 mm
Dynamic load capacity	250 kg
Color	Blue
Material	ABS
Article number	52.TRC6040.4.H
Weight (kg)	3,7 kg

- **Wheels with sturdy plate and stable attachment.**
- **The wheel brackets, axles, and wheel fastening materials are galvanized.**
- **Suitable for loads of various dimensions (buckets, crates, etc.).**

Description

Dolly / mobile plastic base (615 x 415 x H 167 mm), suitable for stacking containers of 600 x 400 mm or two pieces of 400 x 300 mm. Due to the closed frame with only 4 drainage holes in the corners, it is particularly well-suited for non-standard sizes of boxes and smaller loads. The base is equipped with 4 galvanized swivel casters with wheels Ø 100 mm with non-marking, sound-absorbing rubber tread. Maximum load capacity 250 kg. Smooth-rolling and lightweight base for universal use in shops, hospitality, cafeterias, warehouses, and other commercial spaces.
