## **Description**

Yellow trolley / transport roller (615 x 415 x H 167 mm) with grid frame. Suitable for stacking containers 600 x 400 mm or two pieces of 400 x 300 mm. Thanks to the grid frame, it is also suitable for containers, buckets, or boxes in different sizes. Equipped with 4 galvanized swivel castors Ø 100 mm with a practical rubber surface. Maximum load capacity 250 kg. Other wheel configurations such as galvanized wheel forks, fixed castors, different diameters, different treads, etc. are, of course, possible. Ask our product specialists about the options.

For easy universal use in shops, catering, warehouses, workshops, and other business departments.
