Description

Grey plate basket (600 x 500 x H 120 mm). Suitable for 22 large plates with a maximum diameter of 320 mm. Additionally, a mixed loading of deep and flat plates in the basket is possible. The plate holders on the left and right stagger, allowing the plates to slide in one behind the other. The side walls and the bottom have an open construction for optimal rinsing results and a faster drying process. The grey plate basket 50.XLP is an XL dishwashing basket. These dishwashing baskets are specially developed for use in larger dishwashers where Euro norm crates measuring 600 x 400 are also cleaned. The dishwashing baskets utilize the full width of such rinsing machines. This allows 30% more dishes to be washed than with standard dishwashing baskets measuring 500 x 500 mm. This saves time and reduces water and energy consumption!
