**The side walls are inserted into the base plate and then secured with a clamp. Subsequently, the clamps are fastened with a screw.**

**For other wheel configurations (braked - solid nylon - different wheel diameters) consult our product specialists.**

## Description

Roll container (724 x 815 x H 1678 mm) with a dark blue plastic base. Composed of a food-grade dark blue plastic base plate (steel-reinforced) and two blue-galvanized steel side walls. The side walls are inserted into the dark blue base plate and then secured with a clamp. The back wall is fastened to the side walls with four plastic clamps. The roll container is equipped with 2 fixed and 2 swivel wheels in a galvanized design with plastic wheels Ø 125 mm with PU treads. Widely used plastic roll container, especially in the retail sector, with particularly smooth-running wheels.
