Features

Roll container from the BLACK LINE series designed for the event sector's desired appearance.

The roll container is equipped with 2 fixed and 2 swivel wheels in a galvanized version and plastic wheels Ø 125 mm with PU tread.

The side panels are inserted into the base platform and then secured with a clamp. The clamps are subsequently tightened with a screw.

For other wheel configurations (braked - solid nylon - different wheel diameters), see "Options" or consult our product specialists.

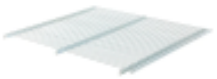

Description

Roll container sized 682 x 815 x 1678 mm. Featuring a black food-grade plastic base. The roll container is equipped with two blue-zinc-plated steel side panels. Two nylon straps are included. It has 2 fixed and 2 swivel wheels in a galvanized version with plastic wheels ? 125 mm with PU tread. The side panels are inserted into the black base platform and secured with a clamp. It can accommodate two Euro standard crates of 600 x 400 mm or four Euro standard crates of 400 x 300 mm side by side on one roll container.
