SB3 plastic palletbox - 1200 x 1000 mm - on 9 feet - grey

Product specifications

Uitwendig (LxBxH)	1200 × 1000 × 790 mm
Inwendig (LxBxH)	1110 × 910 × 620 mm
Capacity	610 liter
Color	Grey
Sidewalls	Closed, reinforced
Material	HDPE
Article number	81941891
Weight (kg)	40,5 kg
Temperature range	-30°C to +40°C
Bottom	Closed, reinforced
Max. load capacity per box	700 kg
Max. static stacking load	5000 kg
Pallet quantity	4

Features

- **Grey palletbox type SB3**
- **Dimensions: 1200 x 1000 mm**
- **Flat, smooth interior walls for easy cleaning**
- **Perfectly stackable with similar pallet boxes**
- **Ideal for various applications where hygiene is important, such as in the food industry, pharmaceutical industry, and logistics**
- **Suitable for use in existing pools of pallet boxes, allowing seamless integration into existing logistics systems**
- **Can be stacked for efficient storage and transportation, saving space**
- **Provides durability and long lifespan for repeated use in different environments**

Description

Grey pallet box type SB3 in dimensions 1200 x 1000 mm, equipped with flat, smooth inner walls that are easy to clean. The grey SB3 pallet boxes are perfectly stackable with similar pallet boxes and can therefore effortlessly integrate into an existing pool of pallet boxes. The SB3 is produced in one piece with 9 legs. Breakage at these sensitive points is thus minimized. The SB3 pallet box is stable, impact-resistant, and ideally suited for intensive use and where frequent tilting with a turntable is required. The lower wall panels of the pallet box are reinforced to prevent collision damage from forklifts. The grey box is made of 100% new and freeze-resistant material, making it highly suitable for applications in the food industry. Two standard provisions for placing RFID transponders are located in the upper edge. These transponders enable tracking and tracing of the box and cargo. The SB3 pallet boxes are equipped with a 1" outlet on one short side and a 2" outlet on one long side.
