Description

Grey tray basket (600 x 500 x H 120 mm), equipped with tall pins for trays. Suitable for 10 Gastronorm trays 530 x 325 mm (1/1 GN) placed lengthwise in the basket, or 12 smaller trays (max. 465 mm) placed crosswise in the basket. The open construction in the basket ensures optimal rinsing results and a faster drying process. The tray basket 50.XLT is an XL dishwashing basket. These dishwashing baskets are specially developed for use in larger dishwashers where Euro norm crates measuring 600 x 400 are also cleaned. The dishwashing baskets utilize the full width of such rinsing machines. This allows 30% more dishes to be washed than with standard dishwashing baskets measuring 500 x 500 mm. This saves time and reduces water and energy consumption!
