Description

Plastic warehouse crate in Euro standard size 600 x 400 x H 349 mm with a grip opening on one short side. Perforated stackable warehouse crate made of food-safe plastic, equipped with 2 open handles and a reinforced perforated bottom. There is a grip opening on one short side. Dimensions of the grip opening: 265 x 185 mm (W x H). The Euro standard warehouse crates are stackable with all other Euro standard storage bins and crates, allowing for the easy and practical assembly of a small parts warehouse.
