Description

Fully enclosed green stacking container in Euro standard format 300 x 200 mm with closed handles. Made of food-safe plastic. This green stacking container has a practical small size and is easy to handle due to the closed handles on both short sides. The green plastic stacking container is stable for stacking and also perfectly compatible with our other Euro standard stacking containers. Due to its small size, this stacking container is ideal for use as a cutlery tray in the hospitality and rental industry.
