Description

Fully enclosed red stacking container in Euronorm format 300 x 200 mm with closed handles. Made of food-grade plastic in the color red. This stacking container has a practical small size and is easy to handle thanks to the closed handles on both short sides. The red plastic stacking container can be stacked stably and is also perfectly combinable with our other Euronorm stacking containers. Due to its small size, this stacking container is ideal, among other uses, for application as a cutlery tray in the hospitality and rental industry.
