Description

Fully enclosed stacking container in Euro standard size 300 x 200 mm in white color, with closed handles. Made of food-grade plastic. This white stacking container has a practical small size and is easy to handle due to the closed handles on both short sides. The plastic stacking container can be stacked stably and is also perfectly combinable with our other Euro standard stacking containers. Due to its small size, this stacking container is ideal for use as a cutlery tray in the hospitality and rental industry.
