## Description

Fully enclosed stackable bin in Euronorm format 300 x 200 mm with closed handles. Made from food-grade plastic. This stackable bin features a practical small size and is easy to handle thanks to the closed handles on both short sides. The plastic stackable bin can be stacked stably and is also perfectly compatible with our other Euronorm stackable bins. Due to its small size, this stackable bin is ideal, among other uses, for application as a cutlery tray in the hospitality industry and rental services.
