Handles	Closed
Sidewalls	Closed
Material	PP
Article number	30.617.GDH.10
Weight (kg)	1,52 kg
Temperature range	-20°C to +80°C
Bottom	Closed, smooth
Load capacity (kg)	20

Features

The stacking bin is provided with a smooth base

Description

Black stacking crate made of food-safe plastic with Euro standard base dimensions of 600 x 400 mm. The base, walls, and handles are all closed, allowing for full utilization of the contents up to the top edge. The stacking crate has a smooth and hygienic bottom, both on the inside and outside. Due to its Euro standard size, the black stacking crate can be perfectly combined with other Euro standard stacking crates, as well as with standardized pallets, roll containers, and dollies. The stacking crate 30.617.GDH.10 also perfectly matches in color with our other black stacking crates and roll containers.
