Description

A true all-rounder! This plastic stacking container with a smooth bottom has a practical height of 220 mm and can be filled right up to the edge. Thanks to the closed handles, you can fully utilize the container's volume. Additionally, with a matching lid, the content remains dust-free and clean. An ideal stacking container for use in the food industry, warehouse, or simply for general use. Due to the standardized sizing, this stacking container can be stacked with all other Eurobins and seamlessly combined with standardized pallets, roll containers, and mobile bases.
